

Tea Room Menu

Welcome to The Secret Gardens of Sandwich Tea Room, first set up in 1976. Today, it is our intention to re-create the by-gone Edwardian days with a genteel approach to afternoon tea, coinciding with the era when The Salutation was built. We believe we have developed an ambience of comfort and relaxation; a little like taking tea at The Savoy. Indeed we sourced the crockery, the tables, wall lights and tea stands from The Savoy in order to create the special atmosphere within these walls. We very much hope you will enjoy the experience.
